Math Challenge #2

Squirreling It Away!

Level A - Primary

October 5, 2015

Level A:

Mr. Elliott had a bag of 17 acorns at Discovery Park. Eight hungry squirrels came up to him. He gave each squirrel an acorn. Then five more squirrels came up to him and he gave away one acorn to each of them. How many more hungry squirrels could he still feed?

Answer: _____

Show how you figured it out using pictures, words, or numbers:

How do you know you have the right answer?
